

Treasurer Report

At the end of December we had \$2081.51 in checking and \$14,457.88 in our savings account.

We contributed \$2792.00 to our Holiday Party. I think everyone had a great time. We did receive \$580.00 in income and our bill with the hotel was \$2913. The rest of the expenses were director, caddies, door prizes and boards.
