- Add Lamya (screen name: *cristalblu*) as a friend on BBO so that you can chat with me on BBO when you're trying to register and have problems.
- It is best to sign up well before game time to ensure that any issues are resolved ahead of game time.
- Both you and your partner need to be on BBO to sign up for the game. Once one of you has accepted the other's invitation, you may log out of BBO but it is essential that you are both logged back in at least 10 minutes before the game starts. BBO can get very busy during peak hours and you want to avoid any surprises.
- If you and your partner are not logged in at the 12:40PM start time, you will both be blocked from the game and refunded.
- Text or call Lamya at (615) 887-1012, or chat with me on BBO at *cristalblu* if you are blocked from signing up for the game or if you'd like to provide us your screen name ahead of time.
